- The Chair gave the following report:-
- Work has been completed on the overflow carpark of the Village Hall which involved having some matting placed on the grassed area to stop the grass being churned up.
- The Village Hall drive has been re-surfaced and also the trees that lined the drive have been removed as they were unsafe.
- Grass cutting contract has been renewed for the next three years
- 2,000 daffodils were planted last autumn

## 4. Open Forum

A member of the public said the new Village Hall drive is looking really good, however she has a concern regarding the parking by which they have been blocked in on their driveways whenever there is an event at the Village Hall. Following a discussion it was agreed that the Parish Council would initially have some signs made saying "*No Parking Driveway in Constant Use*"
